

JOB TITLE: Regional Manager of Operations

LOCATION: Chicago, IL or Dallas, TX

SUMMARY: Excellent opportunity for a **Regional Manager of Operations** to help drive excellent results for an established QSR company.

Company seeks to inject high standards at all levels and find a top performer who can show the potential to move up as part of planned succession.

COMPANY PROFILE:

- Currently about 200 units in US and Canada
- Number one franchisor and second largest company in No. America within its QSR segment
- Billion-dollar parent company backing them for growth

PROFILE OF IDEAL CANDIDATE:

- 5-8 years successful multi-unit restaurant management experience with a leading QSR
- Disciplined, high integrity, detail-oriented and ability to see big picture
- Leadership mentality with fire in the belly and drive to make a difference
- College degree

SALARY: Competitive base salary, performance-driven bonus, excellent benefits
